Tribal Conflicts and Impact on Women organized by SDRTC

Dear All,

You are cordially invited to a seminar on “Tribal Conflicts and Impact on Women” organized by Sustainable Development Research and Training Center (SDRTC) in collaboration with Women’s Action Forum (WAF).

The steep rise in tribal clashes are threat to peaceful and inclusive society for Sustainable Development. The tribal customs and culture has not only resulted in the deaths of people but has posed serious threat to the lives of women. The seminar will focus on the role of Police, Media and Academia in challenging tribal conflicts and how the strong and accountable institutions can improve access to justice and help protect people’s right.

Date: 10th August 2023 | **Time:** 03:30 pm | **Venue:** Media Studio, 154 Building, SZABIST University
